## Professional Experience

Sole Proprietor of a Parenting Education Business  
bridges 2 understanding, Redwood City, CA

1994 – current

- Currently offering a Continuing Adult Education business focusing on childrearing private coaching and educational public courses presented as a professional speaker.
- Conducted over 525 private one-on-one parenting education coaching sessions. These were conducted in three formats. In-Home coaching while parents are interacting with their children, in the office or over the phone.
- Interviewed parents to discover underlying causes of parent-child discord and proposed a variety of parenting tools to improve the relationship and meet the parents' goal for appropriate child behavior.
- Provided In-Home Parent Coaching for the most efficient and effective improvement in family relationships.
- Delivered 400 + single and multi-session parent education presentations. Topics Include: Communication skills, understanding and redirecting misbehavior, anger management, age appropriate expectations, learning differences, adult self-reflection, parental personal growth, the parent as the authority figure, and learning inner driven responsibility.
- Conducted preschool and elementary teacher in-service workshops on developing a cooperative learning and play environment. Knowledgeable in the Theory of Multiple Intelligences.
- Designed objectives, analyzed the training situation, outlined the coursework and determined the most beneficial methods, sequence and instructional approach to reach the objectives of developing effective and satisfied parents and families.
- Researched and developed materials based on research and personal knowledge utilizing handouts, flipcharts, videos, interactive activities, group discussion. Created marketing materials, contacted prospective clients.
- Parenting Educator for the Jewish Family Children's Center in San Mateo and Palo Alto

Curriculum Development Project Manager  
Hand in Hand Parenting, Palo Alto, CA

2005 - 2006

- Directed all facets of a 1 year project developing an Adult Continuing Education course for parents and child care providers and exceeded the desired outcome.
- Worked flexibly and responsively to the director; assessing needs, proposing project format, requesting written text, editing, and refining visual aids.
- Created a comprehensive Trainer's Manual accessible to course instructors of various cultures, educational background and experiences. Microsoft Word, Photoshop, Publisher.
- Collaborated with 11 team members, 5 agencies, graphic artist, and printer culminating in five 15-hour parent and caregiver educational courses.
- Instructed and evaluated course using developed manual, visuals, handbook and assessment tool.

Resource Center Coordinator and Parent Educator  
The Children's Health Council, Menlo Park, CA

2000 - 2002

- Supervised 1 employee and 2 volunteers.
- Researched, ordered and catalogued special needs resource books for adults and children.

## Cynthia Klein

- Created a user-friendly resource center environment and provided community resource information.
- Delivered presentations at businesses and schools on parent education topics and available services at The Children's Health Council.
- Designed, developed and instructed classes and held private parent coaching sessions.

Training Intern for the City of San Francisco  
San Francisco Airport, San Francisco, CA

1991 – 1992

- Interviewed employees in each department to determine training needs.
- Designed and developed curriculum and materials, and presented courses on stress management, communication skills and goal setting.
- Created a receptive learning environment with all levels of employees attending, managerial, secretarial, legal, custodial and accountants.

Multiple Subject Teacher in Alameda, CA and Albuquerque, NM

- Instructed required course work to K – 6<sup>th</sup> grade students using innovative educational techniques addressing diverse learning styles, cultures and abilities.
- Collaborated with an interdisciplinary team in the areas of evaluation, planning and implementation of education strategies.
